## Key stage 2 Swimming Lessons 2012

Dear Parents,

It is already that time of the year when we turn our attention to planning the swimming programme for the summer term. Due to our expansion and accommodation of upper key stage 2 children, last year we operated a highly successful programme in order to meet National Curriculum requirements for the entire key stage. We intend to try and repeat this approach again in 2012.

We would therefore be grateful if all parents could complete the response form at the bottom of this letter to assist us with our planning and return it by **February half-term**.

Our aim is to try and provide all children in Years 3,4 and 6 (who cannot yet swim 25 metres) with lessons and all pupils in Year 5, with water safety sessions. This approach will depend upon numbers and it is therefore vital that we have accurate information about your child's swimming ability.

We will write to you again after February half-term in order to confirm the final arrangements. We will be using West Wight Sports Centre and travelling to and from the pool by coach, during school time.

Thank you for your co-operation.

Kind Regards,

Amanda Johnston  
Headteacher
