19th January, 2010

Dear Parents/Carers,

As you aware, the Chair of Governors wrote to you before Christmas informing you that the Governing Body have taken over the leadership of the FAB Club, including holiday provision.

Upon scrutiny of the attendance registers and accounts for FAB, it became clear that the club was making a loss and had used the majority of previous grant funding received to subsidise provision. This was most evident within the holiday club, with low attendance figures recorded. If you do not want this provision to disappear, it is therefore **vital** that you use this facility.

However, since sending this letter, I have received enquiries from several parents about holiday provision, which MAY make it viable to run the club during the first part of the Christmas break.

I am therefore writing to enquire that IF this provision was made available on the dates specified below, whether or not you would make use of the facility. If sufficient interest is received then we will run the holiday club. However, I must stress again that this is purely at an enquiry stage and not confirmation that the club will be running.

I would be grateful if you could return the response slip if you have intentions of using the club for your child, should provision be made available. Please return it to the school office by **29th January** and I will notify parents very shortly after this date, if sufficient interest has been received.

Yours sincerely,

Amanda Johnston
Headteacher
