‘Children Centres and Extended Services in Schools’

Dear Parents/Carers,

In January when we held our family activity afternoon, we included some bike maintenance sessions, where Gavin Sullivan from Wight Cycle Hire, showed us some basic bike maintenance. As a follow on from this I have arranged for him to come back and give a more ~~hands on practical session~~ where you will get the opportunity to actually do some of the **basic maintenance** yourself, under the guidance of Gavin. There will be a brief recap of the ~~M~~ checkq(which is the basic check you need to know so that you can ensure that your bike is road worthy), and it will include fixing a puncture, making adjustments with tools etc.

I am proposing that this session will run on the afternoon of Saturday 13th March 1- 4 pm, if there is enough interest. If you would like to take part in this please return the slip below to the school office by Monday 8th March.

Please note that this session is open to all of your family and if you did not take part last time it will still be fine to attend on the 13th March 1 - 4pm. However, as a guide, it is more suited to KS2 age children and above.

Look forward to hearing from you soon.

Many thanks,

Kay Smith Extended Services Officer

I would like a place on the bike maintenance course
