March 2010  
Dear Parents/carers

**Trip to London Science Museum, Natural History Museum and the Victoria and Albert Museum - Saturday 3<sup>rd</sup> April 2010**

Our next family trip to the above museums is planned for Saturday 3<sup>rd</sup> April. As all museums are next door to each other you can choose which one (or all!) that you go into. There will be a charge of £17 per seat which includes all costs, including the ferry (remember these museums are free to get into). I have booked 2 coaches, as I did last year. One will leave from Arreton School /Newport (at Approx 7am and 7.20am) and the other will leave from the West Wight at Brighstone/Shalfleet schools (approx 6.30 /7am), subject to demand. We will then catch the 8a.m boat from Fishbourne and travel to London with the aim of arriving by 11am. You will then get 4 -5 hours of free time to look around the museum. We will then travel back catching the 7pm boat (earlier if traffic good) and then back to your original destination. I would advise that you have a quick look at the websites of these museums to help you get an understanding of what they are about, or ask someone who may have been there!

Please ensure that you return this form to the school office by **Wednesday 10<sup>th</sup> March** to reserve your place, which will be done on a 1<sup>st</sup> come 1st served basis. Further letters will then be sent to you confirming your place. As you will appreciate these trips have big costs to cover to make them viable, so the sooner I get the initial forms back the better it is for my planning!

**Please note trip is suitable for children as 4/5 years and above**

Any queries contact the Families First numbers above. Look forward to hearing from you.

Many thanks, Kay Smith, Extended Services Officer (07545874435)
