PONY CAMP

JOIN THE SUMMER PARTY @ ISLAND EQUUS

Summer Pony Camp 2014 gives young people the opportunity to have fun during school holidays whilst learning about horse and pony care as well as improving horsemanship and riding skills.

Our non-residential camps are fun and educational, improving confidence and ability for all ages. Pony Camp is suitable for all, including those who have never ridden before.

Small friendly groups guarantee a week filled with great memories and achievements. This year we have special guests joining us for some extra special party themed activities for each camp!

Island Equus will be running three Summer Pony Camp weeks during

the summer holidays from Monday to Thursday 10am – 3pm each day. The four-day Pony camp costs just £150!

The camp helps build confidence and self-esteem working with others as well as with our team of horses. Practical skills working from the ground and through ridden work will engage young people and challenge them to try something new.

Many aspects of horse care will be covered and taught with an emphasis on practical learning in small group sessions. Many new skills will be learnt throughout the week, not only in horse care and riding, but also for life in our team building sessions.

Each week will conclude with a show day in which parents and carers are invited to join us at 2.30pm to celebrate everyone's achievements in a prize giving.

Each camp will be filled with fantastic memories for all the young people who attend. Camp is suitable for ages 6-16 years. Refreshments provided throughout, with drinks and snacks at break times. Bottled water is also always available. However, please bring a packed picnic lunch. Each camper will also receive a quality gift bag, rosettes and certificates.
