Isle of Wight PERCUSSION DAY

Monday October 27th 2014

Ryde School 10.30am - 6pm

Cost: £10 *Since places are limited, booking is essential.*

An opportunity to enjoy top class percussion music 'up close' for:

- young percussion players from Year 4 to Year 13
- beginners or experienced players
- students and music teachers

This event is being organised as a tribute to Jack Richards who was a percussion teacher for the Isle of Wight Music Service for many years and a founder member of the National Association of Percussion Teachers (NAPT).

Jack's skills took him into rock and jazz bands, musical shows and orchestral timpani ... and the odd pantomime or two!

He loved to share his passion for all sorts of percussion with young players - we hope that this day will inspire and enthuse both students and teachers.
