

Parents & Carers working together to improve services for children and young people with Special Education Needs and Disabilities on the Isle of Wight

Are you a parent carer of a child or young person with special education needs or a disability?

If so, we would like to hear from you!

Parents Voice IW is a Parent Carer Forum run by parents for parents. Our aim is to bring parents together through regular meetings and events to share information, listen to concerns and feed in our priorities and ideas to help shape local services and provision- ensuring our children and young people can get the help and support they need and deserve.

We work closely with the Isle of Wight local authority and the Private & Voluntary Sector.

If you would like to know more about what we do or want to come along to one of our friendly get togethers, Please get in touch with your local Parents Voice parent representative.
