

Cash for community projects

Are you a voluntary group?

Are you a charity that works in the community?

Are you a school, or town council that wants to run a local activity?

Are you a social enterprise that needs funds to grow?

If the answer to any of these is **YES**, the Medina Community Forum may be able to help you.

We have one-off grants of up to £3000 available for projects which benefit local residents on the Isle of Wight and will make a difference to their lives. Projects should be located or operate in areas where Spectrum Housing residents live, and should benefit these communities at least in part. For more information, an application pack or to see if your project might be eligible then please contact Kate Bucci or Becky Haydock on 0800 783 7837, or email kate.bucci or becky.haydock@spectrumhousing.co.uk.
