

PEARL IZUMI TOUR SERIES START FLAG DESIGN COMPETITION

DESIGN THE RACE FLAG

Schools are invited to design the race flag which will be used to wave off the professional cyclists competing in the Pearl Izumi Tour Series race in Ryde on Thursday 14 May 2015.

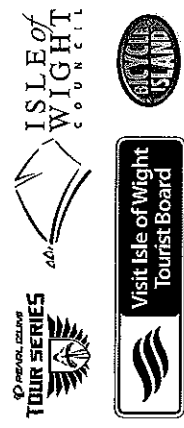

Use the space on the back of this sheet to draw or paint your flag design, with the theme **'WHY CYCLING IS GOOD'.** Please create it in a landscape, or horizontal format.

The winning flag design from each school will go forward to the final judging, where a panel of experts will choose the winning entry, based on its imaginative design, relevance to the theme 'why cycling is good' and its suitability for production as a flag. The winning design will be made into an actual flag and used on the day of the race. The winning entrant or school will be given the flag after the race as the prize.

Entries must be returned by **Monday 27th April 2015** to

The School office.

Only one entry per school.
See covering letter for full entry details and terms and conditions.
