MICROGRAPHIA

(11 - 14 years)

With Hannah George

Saturday 13 February @ Quay Arts
10am - 12pm | FREE

Explore the magical view of the natural world through a microscope. In this workshop we will be following in the footsteps of the great Island born scientist Robert Hooke and develop our drawing and observation skills to illustrate what we can see through a magnifying lens.

Limited places available, book now to avoid disappointment. WAVES is Quay Arts' Youth Offer funded by IW Council and available to young people resident to the Isle of Wight.
