## SCHOOL GROUP ACCOMMODATION

School group accommodation is available at a number of venues, most within easy walking distance of the city centre. There are a range of options, including self-catering, bed and breakfast or full board basis.

We are able to offer a choice of either en-suite or shared bathroom accommodation which is self contained and arranged in flats of varying numbers. Each flat has its own kitchen/dining area equipped with crockery, cutlery, pots and pans and ironing board. Please note irons, adapters and hairdryers may be available from reception if required.

All rooms are single occupancy and include towels and bed linen. Tea and coffee making facilities are also included in the price. Depending upon which residential site is chosen other facilities available may include a social/meeting space for the evenings, use of sport facilities (an additional charge applicable) and free coach parking. Free Wi-Fi, a laundrette and full catering facilities are available at all sites.

We are able to offer free accommodation for coach drivers or alternatively one free bedroom for every 50 guests booked. *(If parking on the residential site is not suitable for coaches, we will offer the use of an alternative free car park)*

Depending on your requirements we will be able to advise which University residence would be the most suitable for your group.
