## **Under 11 Girls Football - Home to Wroxall**

The Under 11 Girls faced Wroxall in their final group match of their league competition, with only a victory good enough to keep them in the tournament. Missing two key players made the task even harder for the girls, but early possession gave the team confidence, which shone through throughout the game. Florrie Snow opened the scoring in the first half, before two goals from Hannah Pocock put the game beyond doubt. Florrie added her second, and the team's fourth, in the final minute of the game, the girls winning 4-0 and finishing joint top with both Wroxall and St Blasius, with a three-way tournament to be played at a later date to see which two teams qualify for the semi-finals.

## **Under 11 Football - Away to Wroxall**

Our Year 5&6s played their final group game in the league competition before half term, with another visit to Wroxall Primary School. After being edged out on penalties the week before, Wroxall made a great start to the match with some sharp passing and executed their plans magnificently as they took a 3-0 lead at half time. However, our team refused to give in and responded superbly with an early second half goal through Finn to make the score 3-1. We continued to push forward in hope of getting back into the match and were rewarded with a second goal, again from Finn, to get us within one goal of our opponents. Despite creating many more chances, we were unable to find the equaliser, with the Wroxall keeper making a fantastic save towards the end. The defeat isn't a disaster, however, as the team still qualify for the semi-finals of the competition, and now face Arreton in the next round.

## **Under 11 Girls Football - vs Wroxall & St Blasius at Wroxall**

After their 4-0 victory against Wroxall, the Year 5&6 Girls Football team faced a three-way tournament to see which two teams would qualify for the semi-finals. After Wroxall drew 0-0 with St Blasius in the opening fixture, the girls took on St Blasius in our first match of the afternoon. Despite chances at both ends, neither team could find the back of the net and that game also ended goalless. The final match saw us up against Wroxall in a winner takes all contest. Florrie Snow opened the scoring for us with a fine finish, before a Lily Wimble penalty double our lead. Florrie then scored her second of the afternoon (and fourth in two games) to give us a 3-0 win. The results meant that we finished top of the group and will now face the winners of Godshill and Shalfleet for a place in the final.

## Under 11 **Basketball** at West Wight Sports Centre

Nine of our Year 5&6s travelled to West Wight Sports Centre for the cluster basketball competition on the final day of last half term to play matches against four other schools. Our first match saw us up against All Saints, who took an early 4-0 lead. However, baskets from Billy (4) gave us an 8-4 advantage at half time. Scores from Finn (7) and Jago (2) continued the momentum to give us a superb 26-4 victory. The second match against Shalfleet was a much closer affair, Billy gave us a 2-0 lead at half time, before five more baskets from Finn saw us win by 12 points to 4. The third match saw another incredible scoreline as we defeated St Georges 26-0, with the points coming from Billy (3), Finn (7), Jago (1) and Zachary (2). Knowing a win would seal top spot, the team then saved their best until last as they beat Yarmouth 34-0, Billy (5), Jago (1) and Zachary (3) providing the points, whilst Finn (8) took his personal tally up to 27 baskets and 54 points for the afternoon. The four results meant that the team ended top of the competition, and scored an outstanding 49 baskets (98 points) in the four games, whilst conceding just 4 baskets (8 points). The team will now head to Cowes Enterprise College on 11th March for the Island finals.
