Dear Parents and Carers,

Our journey through Lent towards Easter has been slightly different this year; instead of concluding our Spring term, Easter celebrations will signal the start of our summer term.

Over the past week we have been able to come together in church to continue our preparations for Easter. Thank you to all of the families and children that came along to help with the service on Mother's Day. Well done to the whole school for the learning that you shared in church on Wednesday, it was engaging, thought provoking and really helped to focus our thoughts on all aspects of the Easter message.

Congratulations to year three for sharing their version of the Natural History Museum. I hope all of the parents who were able to join us will agree that the thought, detail and enthusiasm that went into the exhibition of the learning was impressive. Well done children and thank you to all of the staff for their support.

I hope you all have a Happy Easter.

Best Wishes

Mrs Fox
