

Cross Country Relays

Two weeks ago we travelled to a muddy Shanklin Football Club to compete in the Cross Country Relays competition. Our teams put up a great battle in all six races, with all 23 of our athletes persevering and showing great determination to complete the course, with Olivia M racing in two seperate races!

Football

Last Friday our U11 football team took on Shalfleet in a league fixture. The team battled really hard and were impressive defensively, with both Tom and Benji making some great saves in goal. A strong Shalfleet side eventually broke through halfway through the first half, however, and quickly added two more to be 3-0 up at half time. The second half saw us create more chances than the first, Lily W coming agonisingly close to scoring, but three more Shalfleet goals saw the score finish 6-0.

Sportshall Athletics

On Monday, some of our Year 6s headed to West Wight Sports Centre for the cluster Sportshall Athletics competition. A great performance from all the athletes saw us finish six points clear of Shalfleet, winning the competition and qualifying for the Island finals, a deserved reward for the behaviour, respect and skill shown throughout the afternoon from all eleven competitors.

The boys did a great job to win two of their five races, whilst the girls put in an incredible effort to win all four jumping events (Olivia - Speedbounce, Lily W - Vertical Jump, Lily J - Standing Long Jump & Ruby - Standing Triple Jump) before winning all five relay races in fine style, taking an unbelievable 102 points out of a maximum of 110.

The team will now face the best of the Island's athletes at Cowes Enterprise in January.
