

Japan Class

Newsletter

2019 – 2020

Welcome to Year 5! We are excited about our year ahead in Japan Class.

The adults working with you this year

Class Teachers: Mrs Denness on Mondays and Tuesdays; Mrs Sharp on Wednesdays-Fridays; Mr Goldsmith for PE on Mondays and Wednesdays.

LSAs: Mrs Snow (am/pm) and Miss Bacon (am only)

Things to remember

Daily: Bring in your reading bag, reading book, reading record, spellings book and a named water bottle.

Monday: Bring in PE kit. PE will be on Monday and Wednesday afternoons with Mr Goldsmith, but please have your PE kit in school all week in case it is needed at other times. Please ensure that all items are named.

Friday: Take home PE kit.

Homework

Homework is given out in the Homework Diaries at the beginning of every half term. Please see your Homework Diary for more information. You are expected to read your reading book, or any other book, as often as you can (preferably every day if possible!).

Spellings

Any spelling lists will be sent home to practise in your Homework Book. We will have a spelling lesson two or three times a week, and you will have new words to learn or a spelling pattern to investigate (sometimes these will be high frequency words or topic words and sometimes they will follow a specific spelling pattern that we are focusing on in our spelling lessons). These will be regularly assessed. We will be practising these frequently in class but you also need to practise as much as possible at home (e.g. 5 minutes every day at home or while travelling to and from school). Please bring your Homework Book to school on a Wednesday, to receive new lists from Mrs Sharp.

Parents' Evenings

Information about parents' evenings will follow in due course.

Reading

You are encouraged to independently change your reading book on a regular basis. Reading comprehension is a big focus. When you are reading your book, make sure that you talk about what is happening, who the characters are, how they are feeling, what information the text is telling you, what type of book it is and so on. Please ensure that your reading record is signed. Even if you can read fluently, it is important to read and to listen to books with someone else; for example, you can read to a family member or friend or they can read to you. Sharing books is fun!

Times Tables

In Year 5 we will continue to consolidate and practise all tables to 12x because they are so important to your success as a mathematician. We're looking for lightning recall! If there are certain tables that you know you are less confident with, focus on these at home.

Rewards, sanctions and Golden Worship

We have worked together to draw up a class charter based on rules, rights and responsibilities. Within class, you will be awarded flags for hard work, great demonstrations of school values and any other achievements. These will be collected in house groups and counted each week. At the end of the half term, the winning house will be awarded a little treat for their efforts. As before, your parents and other members of the family are very welcome to join us for our weekly whole school Golden Worship on Friday mornings at 8.35am, during which we celebrate achievements and progress in and out of school.

Topics

We will have different topics each half term. A Topic Web will be sent out at the beginning of every half term that explains what we will be learning and the subjects that will be focused on for that particular topic.

Attendance

At Brighstone we expect all children to have a minimum attendance of 96.5% and to start the school day punctually. This is key to ensure that you don't miss any important schooling – lessons start as soon as school starts at 8.25am! If by any chance you are late, please go to the main school office where you will be registered. Please don't knock on the classroom door as the register will have already been taken and lessons will have started. Many thanks.

Water Bottles and Comfort Breaks

Please ensure that you have a named water bottle, containing water only, in class. This will be kept by the sink, so that there is no danger of spilling it on others' work.

We urge the children to use the loo during designated break times, so that lesson time is not disrupted. Obviously, if there is any need within lesson time, this will be respected - we just ask that the children politely ask a member of staff for permission to leave the classroom.

We are looking forward to a great year of happy learning together. If you have any questions, please speak to Mrs Denness, Mrs Sharp, Miss Bacon or Mrs Snow, and we'll be happy to help you.

If you have some time to spare and would like to come in to hear children read, then please let me know. We would greatly appreciate it – this makes a huge contribution to the children's progress.

Thank you!
