

Isle of Wight Education Federation

We hope that this message finds you and your students well at the start of the most unusual of summer terms.

We wanted to drop you a line to keep you in the loop with our transition plans.

Our admission packs were sent directly to families on Thursday 28th May. The packs contained a self-addressed envelope so that families can post them back to us with ease.

Fridays are going to be known as "Federation Fridays" as we will be updating our transition pages with video messages and information. Please feel free to access this with your classes.

<http://www.carisbrooke.iow.sch.uk/index.php/info/useful-information/year-6-transition-2020>

Would it be possible that this could also be promoted in your school's newsletter/ social media?

As always we are an email away should you have any questions. We would like to take this opportunity thank you for your continued support, we really do appreciate it.

Jo Tuck (Primary Liaison for Medina College) and Tina Lythgoe (Primary Liaison for Carisbrooke College)
