

English		Maths			
<p><u>Travel Writing</u> We will be reading excerpts from <u>Alice in Wonderland</u> by Lewis Carroll. We will write a travel essay for Year 2 pupils describing two locations in the world created by Mr. Carroll. We will be using extended noun phrases; learning to use commas accurately and for effect and linking paragraphs by a variety of means. In preparation, we will be writing a persuasive speech.</p> <p><u>Poetry</u> After reading Lewis Carroll's Jabberwocky, we will write a piece of poetry describing a fictional creature. We will use similar writing as models for our own; we will develop skills in using a thesaurus effectively and learn to use vocabulary, grammar and punctuation to enhance effects and clarify meaning.</p>		<p>During this second half term, we will concentrate on calculations and using those calculations when problem solving. In addition, we will be reviewing some of the fact the pupils have already learned about fractions.</p> <p><u>Multiplication and Division</u>: identify multiples and factors; know and use prime numbers, multiply by 10 and 100, multiply and divide up to four digit numbers by one- or two-digit numbers; recognize and use square numbers (including the notation <sup>2</sup>).</p> <p><u>Fractions</u>: compare and order fractions; recognize mixed numbers and improper fractions and convert from one to the other; name and write equivalent fractions.</p>
