

# Brighstone C.E Aided Primary School

## Sports Premium Funding 2020-2021

Funding Allocation: £16,500.00

The main focus of the Sports Premium Grant at Brighstone Primary School is the development of sport and physical activity for all pupils regardless of their sporting ability. The school's vision for PE and physical activity is to develop a positive attitude towards a healthy lifestyle that extends beyond childhood. This is achieved by offering a range of physical activities that are delivered in such a way as to ensure engagement by all.

Focus Spend	Estimated Cost	Actions and Impact
To further improve the teaching of Physical Education and the learning experience for all pupils by employing a specialist coach.	£12,000 (18 hours - part salary)  Approx. cost of travel: £500	Improved opportunities for all pupils to engage in positive sporting activity.  A Specialist coach is employed to increase the opportunities of our pupils to access a range of sporting activities, and make lessons more inclusive, leading to healthy and active lifestyles. Staff training is provided by the sports coach to ensure staff are up to date with current practices and policies and there is breadth of PE and sporting opportunities provided by the sports coach and other teachers.
To continue to provide greater extra-curricular sporting opportunities for all pupils.  To improve competitive sports opportunities through competitions with other schools.  Access to outside sporting events <ul style="list-style-type: none"> <li>- Cost of travel</li> <li>- Staff cover</li> </ul>		The specialist sports coach provides after school clubs for EYFS, KS1 and KS2 in a wide range of sporting activities.  All children are given the opportunity to take part in a range of extra-curricular sporting events and clubs, both in competitive and non competitive environments (these will be virtual during the autumn term at least, due to Covid restrictions). These include, but are not limited to: Primary School Games (PEACH), tennis, cross country, netball, football, basketball, hockey and country dancing. Every child will be given the opportunity to represent the school in virtual sporting competitions. For some children, this will involve excelling in their chosen sport, while for others it will involve experiencing competition for the first time.

		<p>Transport costs enable pupils to access external sporting events and fixtures (when out-of-school fixtures are allowed to resume once Covid restrictions are lifted).</p> <p>Subscriptions to the Football League and Cricket League supports games and competitions on the Isle of Wight.</p>
Inter-house sports challenges	£100	<p>Our inter-house sports challenges enable all children to participate in half termly team competitions, promoting the schools games values which are honesty, team work, dedication, respect, self-belief and passion.</p> <p>Rewards – certificates</p> <p>Staff time to organise different events and activities, encouraging less active children to participate in a range of activities and festivals.</p>
Improve lunchtime provision	<p>Cost of CPD approx. £100 per CPD</p> <p>£100 for new equipment</p>	<p>Providing training for midday supervisors to introduce playground games at breaks and lunchtimes.</p> <p>Provide further resources for each bubble, especially equipment that is more suitable for UKS2.</p>
Hire of children's bikes	£10 per day hire per bike	<p>All children in Years 5 &amp; 6 take part in Bikeability every year. Children can use their own bikes and, for those who do not have their own cycles, these are provided ensuring that everyone is included.</p> <p>These sessions build confidence and safety awareness, whilst also encouraging children to cycle to school.</p> <p>As part of the bike maintenance, training is provided to parents and children through Wight Cycle Hire.</p> <p>(This will take place once Covid restrictions are lifted.)</p>
Scooter training	Free through Wight Cycle Initiative	<p>Children are given the opportunity to learn to scoot. This enables children to develop an active lifestyle, and encourages them to scoot to school. A scooter stand is available for children to park their scooters and bikes during the day.</p> <p>(This will take place once Covid restrictions are lifted.)</p>

Gymnastics	Half a term 5 hours per week £800	Children access gymnastics lessons provided by a specialist gymnastics coach.  (This will take place once Covid restrictions are lifted.)
Swimming Lessons at West Wight Sports Centre	£1500	Swimming lessons for all Year 3, Year 4 and Year 6 children who cannot yet swim competently, confidently and proficiently over a distance of at least 25m. These lessons ensures that all children learn the life skills of water safety and swimming.
PE clothing / Sports Kit	£200	The school provides specialist sports kits for external sporting fixtures, as well as spare kits for PE lessons to ensure there are no barriers to participation. Examples of this are: <ul style="list-style-type: none"> <li>- School Leaders tops</li> <li>- School staff PE tops</li> <li>- Stock of suitable sports footwear for loan to pupils who find lack of kit is a barrier to participation</li> </ul> Part of this funding has been donated by the Brighstone School Association.
Sports Equipment	£1000	The school is enhancing and improving our PE equipment to ensure it is up to date, and replacing any items where needed; this will also include ensuring that there is enough equipment for each bubble to use without sharing. This increases the motivation and enthusiasm of pupils when participating in PE and sports clubs. It also aids health and safety measures linked with Covid.
Gifted and Talented	£200	The school will be signed up to the island-wide 'Gifted and Talented' programme, once Covid restrictions are lifted. This programme provides opportunities for those children who excel in their chosen spots to further develop their skills.

There are 19 children in Year 6.

6 (32%) children are unable to swim 25 metres competently or self-rescue

4 (21%) children can swim 1 or 2 strokes 25 metres competently and confidently but cannot self-rescue

9 (47%) children can swim a range of strokes competently and confidently and can self-rescue in a range of water-based situations
