

English		Maths		
<p>Read Write Inc Year 1 and 2 are taking part in the RWI programme, and we will be reading and writing about a range of books across the half term. See the weekly 'home' books for the green and red words to practise.</p> <p>Year 1 and 2 children will be taking part in a big writing session on a Friday linked into our Science work and Guided Reading books.</p> <p>We will all be reading a range of fables in Guided Reading and story time.</p>		<p>In Maths, this half term, we will be learning about:</p> <p>Year 1 In Maths, Year 1 will explore counting up to 100, counting in 2s up to 20, counting in 10s to 100 exploring odd and even numbers, recapping doubles of numbers and recapping one more and one less than a given number. They will also be exploring how to share fairly between two (find half of a number of objects) and exploring shape including finding half of a shape. They will also focus on adding and subtracting mainly using number bonds of 5,6 and 7.</p> <p>Year 2 In Maths, Year 2 will count in 2's, 5s, 10s and 3's forwards and backwards, writing numbers to 100 in words and numbers, finding 10 more or 10 less than a given number and continuing to explore greater than, less than and equals to. They will also explore sharing and grouping through practical contexts and arrays. They will explore half and quarters, reflective symmetry and 2d and 3d shapes. They will collect data for tallies and pictograms and answer questions on these graphs. They will also add and subtract single digits from a single or 2 digit number lines.</p>		
				
Science		Lambert Class Topic Web Autumn 2 2020		PE
<p>We will continue to look at the life cycles of different animal species, including humans. We will consider the basic needs of animals for survival and describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.</p> 		 <p>Amazing Animals</p>		<p>In PE, this half term the children will be working closely with Mr. Goldsmith on perfecting skills in a variety of sports and looking at healthy eating. In PE with Mrs Aram they will be looking at team games.</p> 
Computing	RE	D&T	PSHE	Music
<p>In Computing, we are exploring data in Year 1 and pictograms in Year 2. We are exploring computers uses and how to present and sort data using a computer.</p> 	<p>In RE, we are exploring the incarnation and the theme a special baby within our learning about Christianity in the lead up to Christmas.</p> 	<p>In Design Technology, we will be exploring, making and evaluating animal masks and puppets. We will be using papier mâché and paints to make bright, bold and colourful masks and we will be perfecting our sewing skills to make our animal puppets using felt.</p> 	<p>In PSHE, we will be exploring the topic 'Celebrating Difference'. We will explore gender stereotypes, bullying and celebrating how we are all different/unique and we all have friends.</p> 	<p>In Music, we will be exploring pitch. We will also sing a range of carols and Christmas songs in the lead up to Christmas.</p>
