

English		Maths			
<p><u>Narrative</u> We will be reading <u>Stormbreaker</u> by Anthony Horowitz. We will write a spy extract which describes settings, character and atmosphere, which includes integrating dialogue to convey character and advance the action and which will use modal verbs or adverbs to indicate degrees of possibility.</p> <p><u>Information</u> We will finish reading <u>Stormbreaker</u> and the pupils will create a character profile for which they will choose the appropriate register for the audience and purpose, use further organisational and presentational devices and use a colon to introduce a list.</p>		<p>During this half term, we will concentrate on fractions, decimals and percentages including mixed numbers and improper fractions. Additionally we will begin to look at measurement.</p> <p><u>Fractions, Decimals and Percentages</u>: add and subtract fractions, read and write decimal numbers as fractions, read and write percentages as either fractions or decimals.</p> <p><u>Measurement</u>: convert between units of metric measurement, calculate the area of rectangles, solve problems involving converting between units of time, understand and use equivalences between metric units and common imperial units.</p>			
Science	 <b>Year 5 MacArthur Class Topic Web</b> <b>Spring Term 1 2021</b> 		History		
<p><u>Forces</u> This term we will be studying the effects of different forces, such as, air resistance, water resistance and friction and how they affect the movement of different objects. We will also be looking at force multipliers: levers, pulleys and gears, to see how they allow a smaller force to have a much greater effect, and are used in so many everyday objects.</p> 	<p><b>Now You See Me; Now You Don't</b></p> <p>Anthony Horowitz</p>  		<p><u>Ancient Egyptians</u> We will finish our explorations of the Ancient Egyptians including their daily lives, their religion, their methods of treating their dead and their contributions to modern society.</p> 		
RE	Design and Technology	Music	PSHE / RSE	PE	Computing
<p><u>Islam</u> We will be learning about the Five Pillars of Islam and relate them to people of different faiths.</p> 	<p><u>Spy Gadget</u> We will be designing and building a torch for a secret agent.</p>	<p><u>Character Music</u> We will be looking at tempo, pitch, dynamics, timber, texture and structure in order to select music which suits a particular character.</p>	<p><u>Dreams and Goals</u> In this unit we will explore our own dreams and goals as well as recognising that everyone has their own.</p>	<p><u>Sports Coach</u> We will be working with Mr Goldsmith in our PE lessons.</p> 	<p><u>Video Editing</u> We will learn to add film clips and music together to make a short video.</p>
