

English		Maths			
<p>"After Tomorrow" by Gillian Cross will be our text for this half term. It is a modern story of a family who try to escape an England affected by social troubles and end up as refugees in France. We will be exploring a lot of the events and concepts through drama whilst having the opportunity to hone our reading aloud skills when reading to the class. A lot of the English skills and writing genres that we have learnt this year we will be re-visiting or applying to similar but new writing. We will be creating character sketches, instructions, a first-person account, give news reports and producing a comparative piece. Mrs Snow will continue delivering the "Fresh Start" English programme, focusing on embedding a range of key reading, writing and spelling skills.</p>		<p>We will continue with our weekly "red carpet" for the top ten Doodle Maths users. We will revise and extend our knowledge of multiples, factors, square & cubed numbers. Once we have reminded ourselves of equivalent fractions, the next steps will be multiplying and dividing fractions. We will be using our mental and informal skills to support our formal methods when calculating the four operations. Co-ordinates and grid work will be extended from one quadrant into four! Securing and perfecting our times tables facts will be ongoing too!</p>			
Science	 Year 6 Seb Clover Class Topic Web Summer Term 1 2021 		Topic		
<p>We will complete our topic of "Inheritance and genetics" and follow this with some general experimental investigations. We will then move onto our next topic of "Animals including Humans" where we will begin by looking at the circulation system.</p>	  <p>Familiar to us?</p> <p>SURVIVAL IS YOUR ONLY OPTION</p>		 <p>Geography will continue to be focus, but it will shift from around the world to our local area. We use the compass points as our starting point to explore the concepts of "settlement" and "land use", with some walks around the village to support this.</p>		
PE	Art	Music	PSHE / RSE	RE	Computing
<p>PE Kits are needed on Tuesdays & Fridays.</p> <p>Mr Goldsmith and I will be taking the class to the village tennis courts on a Tuesday for tennis lessons. If you have your own racket you may bring it along. For Games, Mr Goldsmith will be focusing on athletics. There will also be after school clubs for football and gym.</p>	<p>Our Art lessons will begin with detailed observational drawing of our ears, mouths and eyes. We will then use these to express what refugees might hear, see and say.</p>	<p>This term we will be taught ukulele by one of our peripatetic teachers Mrs Jackaman. We have ukuleles in school, but you may bring your own if you have one.</p>	<p>The theme for the "Jigsaw" unit of work for this term will be "Relationships", looking at how we interact with each other and how to recognise and maintain good mental health in others and ourselves.</p>	<p>Beginning with the story of Moses including the Exodus, we will look at how the Ten Commandments and Covenant have shaped Jewish and Christian lives from then until now.</p>	<p>We will be brushing up on our word processing skills, finding out how to edit and compile our "Acting Up" sketch and using our research skills to create a fact file.</p>
