<p>English The Tin Forest by Helen Ward and Wayne Anderson Treasure - The Literacy Shed The Lost Words by Robert McFarlane</p> <p>Guided Reading The Tin Forest and The Lost Words</p> <p>Throughout these units we will be focusing on the following key objectives: Developing descriptive vocabulary for settings and people. Developing complex sentences using conjunctions and fronted adverbials. Enriching our vocabulary through poetry.</p>		<p>Geography: We shall be delving deep into the Amazonian jungle to find out about the plants and animals that make this place so special. We shall look at the threats to this valuable habitat and discover the people who live inside this amazing forest.</p>	<p>Mrs Johnstone: We will be continuing to embed our fractions learning from earlier in the year and revising important concepts in multiplication and division, and using columnar methods for addition and subtraction.</p> <p>Mrs Denness: Our focus will be on securing our understanding of number and the place value system, as well as securing fluency in number facts and multiplication tables.</p>		
Science		Year 3 / 4 Robertson Class Topic Web Summer Term 1		Art	
<p>Plants: This half term we will be looking at plants and learning about the functions of the different parts of flowering plants. We will also look at the requirements of plants for life. We will also explore why the flowers are not just for decoration but play a role in the life cycle of a flowering plant. We will be doing plenty of planting and observing, and any donations of cress/mustard/ pea and bean seeds would be really welcome, thank you.</p>		 <p>The Amazon Rainforest</p>		<p>Using a variety of junk to model, children will use The Tin Forest as a stimulus for creating animals and scenes out of different materials and learn more about how we can join two materials together.</p>	
Computing	Music	RE	PSHE	French	PE
<p>Branching databases We will learn how to make identification keys for plants and animals.</p>	<p>Year 3: Mr Stroud will continue brass lessons. Year 4: Through British values, Year 4 will be looking at democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs. This will include learning the National Anthem and looking at British composers.</p>	<p>The Gospels We will be exploring Jesus' teaching and messages.</p>	<p>Jigsaw - Relationships This unit will look at getting on and falling out, loves and loses and jealousy as well as celebrating friendships.</p>	<p>We will be learning the days of the week and looking at different food through the story of The Hungry Caterpillar.</p>	<p>On Tuesday afternoons, we welcome Karen Lakey from Lanesend Primary School, who will be lending her gymnastics expertise. Mr Goldsmith and Mrs Johnstone will then take the lessons on Wednesday afternoons.</p>
