

English		Topic		Maths	
<p>English We shall start with a video clip about Derek Redmond, a Barcelona Olympic athlete, and we shall recount the story of his race.</p> <p>Guided Reading Our class book will be Skills from Brazil which will have a football focus for the European Championships.</p> <p>Throughout these units we will be focusing on the following key objectives: Accurate sentence construction Developing complex sentences Using precise language for different text types - commentary, motivational speeches, recounts.</p>		<p>Geography: The European Football Finals and the Olympics give us a great opportunity to explore the world, investigating different countries and comparing Europe to the rest of the world. We will explore maps of the world and compare physical and political features across continents. Children will develop the geographical language associated with mapping.</p>		<p>Mrs Johnstone: We will continue with our work on division for the start of the half term and then move on to fractions. Beyond fractions we will make sure children are secure in the key aspects of number so are ready to progress to their next year group</p> <p>Mrs Denness: We will continue to focus on number facts - multiplication tables and addition and subtraction facts that bridge 10/100. We will also return to geometry and look at angles; parallel and perpendicular lines; drawing polygons and identifying symmetry in shapes.</p>	
Science		Year 3 / 4 Robertson Class Topic Web Summer Term 2		Music	
<p>Plants: This half term we will continue our work on plants because it is such a huge topic. We will look at the life cycle of a flowering plant, including germination, pollination, fertilisation and seed formation. We'll also be looking at how different plants disperse their seeds to ensure their survival, and how plants are adapted to suit different conditions. Lastly we'll be looking at gardening in space.</p>		 <p>TOKYO 2020</p> <p>Tokyo 2020- United By Emotion</p>		<p>Year 3: Mr Stroud will continue brass lessons.</p> <p>Year 4: Learning about Kerry Adams - British composer. 'No Place Like' is about where we are all from, how we are connected, the homes we live in, and the sounds we find in our hometowns.</p>	
Computing	Art	RE	PSHE	French	PE
<p>Presentation: We shall be looking at how design programmes such as PowerPoint can aid presentation.</p>	<p>Famous Artists We will be looking at famous artists from around the world, their contribution to art and the techniques that they used.</p>	<p>Protection: We shall be exploring aspects of the Hindu faith.</p>	<p>The Christopher Winter Project Year 3 and 4 will split to take part in their sex and relationships education.</p>	<p>We will continue our exploration of The Hungry Caterpillar and also look at the vocabulary associated with playing sport.</p>	<p>Children will be focusing on athletics with Mr Goldsmith in preparation for Sports Day, and continuing their swimming lessons on Wednesdays.</p>
