Learning and Achieving Through
Love, Courage and Respect

Dear parents, carers and children,

This week I have seen many amazing moments of teamwork, collaboration, perseverance, resilience and courage. Our children show such pluck when they tackle challenges and new activities, of which there have been many this week.

At the beginning of the week, we took the Y4 children to Kingswood for their residential. They took part in many fun activities, including archery, problem solving, roasting marshmallows around the campfire, climbing, fencing, aero ball, 3G swing and many more. However, the moments that will stay with me are those in which they showed such determination and courage when doing the 'Leap of Faith', in which they had to climb up a wooden pole almost 40 feet high, stand on a very small platform and jump off! They certainly have more courage than I do... When some children became tearful at the top, the calls of encouragement from their fellow class members was heart-warming. They showed wonderful team spirit. The children demonstrated exemplary behaviour throughout the trip and were perfect ambassadors for Brighstone; well done, Y4!

Some more heart-warming moments took place today during our annual Sports Day. Who could not have failed to be moved by the team spirit that was shown when a fellow pupil fell over, or when a class mate felt that they couldn't continue running to the finish line? I'm sure that there were tears welling up in many eyes. The children really enjoyed themselves today, taking part in the field events in the morning and the track events in the afternoon. They applied many skills that they have been honing over the past few months, and I think some of the children even invented some ingenious new ways to get over the high jump...! Thank you to Mr Goldsmith for all the tremendous hard work that he put into the organising of the day, not just on the day itself but the many months preceding it. (Some photos are already on Facebook, and more photos will be on Facebook and in the Buzz next week.)

On Wednesday, Koala class and Polar Bear class enjoyed a trip to Osborne House as part of their topic about Victorian seaside holidays. They learnt all about Queen Victoria's holiday home, visited her beach and made some beautiful ephemeral art. It turned into an outside art gallery in which members of public admired their creations!

I would like to take this opportunity to thank all the staff and volunteers who enable all these amazing experiences to take place, and to thank you for your support.

Today, you will have received your child's school report, as well as your child's results from the Y1 Phonics Screening Check and the Y4 Multiplication Tables Check. You will have the opportunity to meet with your child's class teacher during our optional parents evening on Tuesday 5th (Y6 will be on Monday 11th) if you have any further questions. The Y6 SATs results are released on Tuesday, so, as we will be on our residential on that date, we will send these home later in the week.

This is the time of year when we all start thinking about next year's classes. We will send out a letter about this next week, in readiness for our transition morning the following week.

I hope you all have a fantastic weekend, and I look forward to seeing you on Monday.

Best wishes, Mrs Lennon and the Brighstone team

Collective Worship - Truth and Truthfulness

This week's Collective Worship focus is: **Making the right choices**

This week we watched some children act out a couple of mini-dramas, in which the characters were faced with a dilemma. Tom and Jasmine were tempted to make the wrong choice. They could either do the right thing or they could make a different choice.

Do you want to be someone that others trust to be truthful, whatever happens?

You choose!

Or someone who, when they are tempted, just gives in and tells a lie when it's more convenient.

The Lord's Prayer

Our Father,
Who art in Heaven
Hallowed be thy name
Thy Kingdom come
Thy will be done
On earth as it is in Heaven
Give us this day our daily bread
And forgive our trespasses
As we forgive those who
trespass against us
And lead us not in to temptation
But deliver us from evil
For thine is the Kingdom
The Power and the Glory
Forever and ever
Amen

"Tell the truth to each other."

Who are Brighstone School Association (The BSA)?

We are simply a group of parents and teachers working in partnership to raise much needed funds for our children. We meet about once every half term. Most of us have full time jobs and other commitments as well as our own families.

Chair - Katherine Harrison; Vice Chair - Franki Barker;

Treasurer - Sarah Cartmell; Secretary - Kate Cambridge

What do we do?

We explore fundraising ideas such as cake sales, mufti, bingo, community events, school discos and Mothers' Day shop, to name a few.

One of our biggest fundraisers is Wolverton Folk and Blues Festival and we desperately need volunteers throughout the day!

We then use this money to support your children's education and enjoyment, such as paying towards trips, buying Easter and Christmas gifts, and donating towards equipment such as a new trim trail for the playground (coming soon).

How much do we need to raise each year?

On average we need to raise about £5k every year!

How can you help?

Join us: you are already a member as your child goes to our school! You can attend meetings and share your ideas too!

Support us: volunteer to help at events, bake cakes for cake sales. If every parent helped at one event every year it would make an incredible difference!

Promote our events: Attend events and share via social media and word of mouth. Join us on Facebook and Instagram!!

NHS urges summer safety awareness to keep children out of danger

NHS services are urging local people to be more alert to risks associated with warm weather this summer.

NHS Frimley Clinical Commissioning Group (CCG), which plans and funds the majority of health services provided to local people, are supporting a summer safety video, entitled ['Keep your kids live and kicking this summer'](#).

The video highlights the risks of leaving babies and infants unsupervised near water or open windows, particularly when parents and carers can be distracted.

Babies and infants need constant supervision around water – whether this is in the bath, paddling or swimming pool, by ponds, rivers or lakes. They also need supervision around open windows.

Debbie Hartrick, the CCG's Director for Safeguarding, said: "While incidents of drowning or near drowning are rare, it is really important that the safety of infants and children around water and open windows remains at the forefront of our minds, especially with the warmer days ahead.

"Pools, ponds and baths can keep your kids cool in the hot weather. However, water can also be dangerous for children if parents and carers don't pay attention.

"With more and more families still spending more time at home due to Covid-19, we know that children will be playing in garden paddling pools and it's important that they do so safely."

She added: "Young children can drown in less than two inches (six centimetres) of water, in only 20 seconds. If they are very young, you won't even hear them. They can slip under the water without making a splash or a sound.

"Young children don't understand that a fall can kill them – just as they don't understand that water can kill them."

"Getting distracted by a mobile phone, talking to other people, or wandering off when your child is around water can lead to tragedy.

"By spreading these key messages, we can all help to keep our young children live and kicking this summer."

The video was first launched by commissioners in the east of Berkshire in 2017 and has been widely shared over the years.

Working alongside families

Being a parent has never been easy. It can be lonely, frustrating, heartbreaking and overwhelming.

Life-changing events can happen to anyone. All parents struggle at one time or another. That is why Home-Start is ready to support families through their toughest times.

Home-Start volunteers and staff support families with individual one-to-one home-visiting and a wide range of targeted support for parents and their children.

Home-Start works with families experiencing a range of challenges including isolation/loneliness, poor mental/physical health, post-natal depression, financial worries & multiple birth, giving practical help and emotional support.

Just two hours a week can make a big difference to a parent and their children.

We work with families to build on their strengths and give them the support they tell us they need.

We work with families in a range of ways, and use the approach they think will give them the best support. This includes:

- Home-visiting support by volunteers and/or one of our Family Support team
- Family groups
- Running trips and outings

All our services are based around the principal that volunteers offer no judgement, just compassionate, confidential help and support.

"With the support of a Home-Start volunteer, I learned how to interact and play with my daughter, put boundaries in place, and create a safe and secure home. After Home-Start helped to change my life, I decided I wanted to become a volunteer for the charity". – Louise
