Learning and Achieving Through
Love, Courage and Respect

Dear parents, carers and children,

The sun has got his hat on, and well done to all the children who have been wearing theirs this week in this lovely summer sunshine. We have been issued with a heatwave warning, so, as advised in the email that we sent out yesterday, please ensure that your child brings their hat, sunglasses, sun cream and a refillable water bottle to school every day next week.

The Y6 children had a wonderful time in London on their residential this week. We took the train up to London, before enjoying a river cruise up the Thames and learning about some of the buildings along the way. We walked past Big Ben and the Houses of Parliament on our way to the Tube to the Youth Hostel in Earls Court. After checking into our accommodation, we took the Tube back to Piccadilly Circus where we ate a delicious evening meal at the Hard Rock Café (where the children entertained the rest of the diners and waiters when they sang along to the songs being played!) before being thrilled and entranced by The Lion King at the Lyceum Theatre. The next day, we explored the Science Museum, enjoyed a leisurely stroll through Kensington Gardens and a picnic in Hyde Park, before admiring Buckingham Palace on our way back to Waterloo Station. We had a great time! I would like to thank the BSA for helping to fund the trip and reduce the cost to parents, to Mr Goldsmith and Mrs Dunn for giving up their time to come along with us, and especially to Mrs Sharp for all the organising it took! See more photos on FB and in this Buzz.

After school on Wednesday 13th July, Polar Bear class will be selling keyrings and magnets to help raise more money for WWF UK. The artwork on them was created last term during our ephemeral art unit. The keyrings and magnets will cost £2 each and they would be really grateful if you're able to bring the correct change on the day. Although some magnets and keyrings have already been made, they will also be taking orders, so you can pick the exact design you'd like them to make you. Any orders will need to be paid for on the day and they'll make sure to have your products to you before the end of term. They will be selling them and taking orders on the playground, outside the Polar Bear classroom at 2:45pm. Looking forward to seeing you there!

Following on from the excitement and success of the Biosphere singing festival in Sandown, we fortunately gained the amazing opportunity to perform at the Rhythm Tree Festival. So, this afternoon, a streamlined KS2 choir of 13 played on the circus stage to a small but appreciative audience under the blazing beginnings of a summer heat wave. They sang "Protect Our Island", "Tidy Up the Beach" and "Recycling Rumba". Then with Dominic & Katherine swapping to their trombone and trumpet respectively, they gave a rousing rendition of Jennifer Lopez's "Let's Get Loud" accompanied by Mr Stroud while the choir sang along and provided percussion. What a fabulous experience! (Photos will follow next week.)

Today, you will have received a letter, via email, regarding next year's class and staffing arrangements. The children will be taking part in a transition morning with their new class teachers on Wednesday 13th July. You will also have received a letter about the summer concert that will take place on Monday 18th July. Both letters are also available on our school website.

I hope you all have a fantastic weekend, and I look forward to seeing you on Monday.

Best wishes, Mrs Lennon and the Brighstone team

Collective Worship - Truth and Truthfulness

This week's Collective Worship focus is: **Searching for the truth**

This week we listened to the story of Philip's Treasure. This is a story that Jesus told about a man who found some treasure buried in the ground. Jesus told this story because he wanted us to know that the truth can be like treasure. God loves and cares for each one of us—this is a great treasure as well! Jesus said that knowing we can be part of God's family was the most precious truth we can know.

Collect for Truth

Holy God

Faithful and unchanging,

Enlarge our minds with the knowledge of your truth
And draw us more deeply into the mystery of your love,

That we may truly worship you

Father, Son and Holy Spirit,

One God now and forever.

Amen.

"Tell the truth to each other."

Grammar and Spelling Matters

Each week we will include a mini grammar or spelling lesson so you know what your children are learning!

Idioms

An idiom is a word or phrase that means something completely different from the word or words it is made up of. The meanings of idioms have little or no relation to the literal meanings of their component parts, but they make sense because they are familiar expressions.

Can you think of any others?

Who are Brighstone School Association (The BSA)?

We are simply a group of parents and teachers working in partnership to raise much needed funds for our children. We meet about once every half term. Most of us have full time jobs and other commitments as well as our own families.

Chair - Katherine Harrison; Vice Chair - Franki Barker;

Treasurer - Sarah Cartmell; Secretary - Kate Cambridge

What do we do?

We explore fundraising ideas such as cake sales, mufti, bingo, community events, school discos and Mothers' Day shop, to name a few.

One of our biggest fundraisers is Wolverton Folk and Blues Festival and we desperately need volunteers throughout the day!

We then use this money to support your children's education and enjoyment, such as paying towards trips, buying Easter and Christmas gifts, and donating towards equipment such as a new trim trail for the playground (coming soon).

How much do we need to raise each year?

On average we need to raise about £5k every year!

How can you help?

Join us: you are already a member as your child goes to our school! You can attend meetings and share your ideas too!

Support us: volunteer to help at events, bake cakes for cake sales. If every parent helped at one event every year it would make an incredible difference!

Promote our events: Attend events and share via social media and word of mouth. Join us on Facebook and Instagram!!

NHS urges summer safety awareness to keep children out of danger

NHS services are urging local people to be more alert to risks associated with warm weather this summer.

NHS Frimley Clinical Commissioning Group (CCG), which plans and funds the majority of health services provided to local people, are supporting a summer safety video, entitled ['Keep your kids live and kicking this summer'](#).

The video highlights the risks of leaving babies and infants unsupervised near water or open windows, particularly when parents and carers can be distracted.

Babies and infants need constant supervision around water – whether this is in the bath, paddling or swimming pool, by ponds, rivers or lakes. They also need supervision around open windows.

Debbie Hartrick, the CCG's Director for Safeguarding, said: "While incidents of drowning or near drowning are rare, it is really important that the safety of infants and children around water and open windows remains at the forefront of our minds, especially with the warmer days ahead.

"Pools, ponds and baths can keep your kids cool in the hot weather. However, water can also be dangerous for children if parents and carers don't pay attention.

"With more and more families still spending more time at home due to Covid-19, we know that children will be playing in garden paddling pools and it's important that they do so safely."

She added: "Young children can drown in less than two inches (six centimetres) of water, in only 20 seconds. If they are very young, you won't even hear them. They can slip under the water without making a splash or a sound.

"Young children don't understand that a fall can kill them – just as they don't understand that water can kill them."

"Getting distracted by a mobile phone, talking to other people, or wandering off when your child is around water can lead to tragedy.

"By spreading these key messages, we can all help to keep our young children live and kicking this summer."

The video was first launched by commissioners in the east of Berkshire in 2017 and has been widely shared over the years.

Working alongside families

Being a parent has never been easy. It can be lonely, frustrating, heartbreaking and overwhelming.

Life-changing events can happen to anyone. All parents struggle at one time or another. That is why Home-Start is ready to support families through their toughest times.

Home-Start volunteers and staff support families with individual one-to-one home-visiting and a wide range of targeted support for parents and their children.

Home-Start works with families experiencing a range of challenges including isolation/loneliness, poor mental/physical health, post-natal depression, financial worries & multiple birth, giving practical help and emotional support.

Just two hours a week can make a big difference to a parent and their children.

We work with families to build on their strengths and give them the support they tell us they need.

We work with families in a range of ways, and use the approach they think will give them the best support. This includes:

- Home-visiting support by volunteers and/or one of our Family Support team
- Family groups
- Running trips and outings

All our services are based around the principal that volunteers offer no judgement, just compassionate, confidential help and support.

"With the support of a Home-Start volunteer, I learned how to interact and play with my daughter, put boundaries in place, and create a safe and secure home. After Home-Start helped to change my life, I decided I wanted to become a volunteer for the charity". – Louise
