

English		Maths						
<p><u>Read Write Inc</u> Year 1 children, and the Y2 children who are taking part in the RWI programme, will be reading and writing about a range of books across the half term. See the weekly 'home' books for the green and red words to practise. All of Year 1 and 2 will take part in Big Writing every Friday enabling them to have time to write.</p> <p>The Year 2 children that are participating in English lessons rather than RWI will be exploring animal stories this half term. They will be looking at Storm Whale, The Lion and the Mouse and The Big Animal Mix Up (poetry book). They will be creating a letter, a poem and a fable this half term.</p> <p>We will all be reading a range of other books during grouped Guided Reading.</p>		<p>In Maths this half term, we will be learning about:</p> <p>Year 1</p> <p>Addition and Subtraction: Children will be adding and subtracting within 10; exploring recording number sentences; fact families; parts; number lines; number bonds and problem solving.</p> <p>Shape: Children will recognise, name and sort 2D and 3D shapes and to create patterns using 2D and 3D shapes.</p> <p>Year 2</p> <p>Addition and Subtraction: Inverse operation; problem solving; adding three one-digit numbers; adding and subtracting two-digit numbers and ones; adding and subtracting two-digit numbers and tens; adding and subtracting two 2-digit numbers, not crossing then crossing the tens; doubles and halves of numbers up to 20.</p> <p>Shape: Children will recognise, sort and count sides and vertices on 2D shapes; draw 2D shapes; recognise, sort and count faces, edges and vertices on 3D shapes; explore lines of symmetry and use lines of symmetry to complete shapes and make patterns with 2D and 3D shapes.</p>						
		<p>Bumble Bee Class Topic Web - Years 1 and 2 </p> <p>Autumn 2 2022</p> <p>What a Wonderful World and Amazing Animals</p> 					<p>Science Year 2</p> <p>We will continue to look at the topic Animals including humans. We will be focusing on the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.</p> 	
<p>Science Year 1</p> <p>The children will continue to identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals. We will also learn about the diets that a variety of different creatures eat, and sort animals into carnivores, herbivores and omnivores. We will continue to describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets).</p>								
Art	PSHE 	Geography	PE	RE 	Music	Computing		
<p>In Art and Design, we will explore sculpture and different ways to create 3D models using paper. We will discuss Louise Bourgeois spider sculpture and collaborate on a sculpture of our own.</p> 	<p>In PSHE (Jigsaw), we will be exploring the topic 'Celebrating Difference'. We will explore gender stereotypes and bullying and we will be celebrating how we are all different/unique and we all have friends.</p>	<p>In Geography, we are exploring the topic 'What a Wonderful World'. We will be exploring the location of countries, continents and oceans of the world in relation to the position of the United Kingdom and children's own locality. We will build upon our map skills and recall our knowledge of human and physical features.</p> 	<p>In PE this half term, the children will be working closely with Mr. Goldsmith on perfecting skills in a variety of sports. Year 1 will focus on target games, passing and receiving. Year 2 will focus on target games and tennis ball skills.</p> 	<p>In RE, we are exploring the incarnation and the theme a special baby within our learning about Christianity in the lead up to Christmas.</p>	<p>In Music, we will explore ways to listen and respond to classical music representing animals.</p> 	<p>In Computing, we will learn how to use the 2Create a Story feature in Purple Mash to write, illustrate, animate and add sound to our own stories.</p>
