School Meal Price Increase

Dear Parents/Carers,

Like all UK businesses, we are currently experiencing significant inflationary pressures. As has been widely reported in the media, these pressures have particularly impacted the price of food.

We have been working hard over recent months to absorb these costs through menu changes and negotiating with our suppliers. However, with inflation continuing to rise, we are now required to increase the price of the meals served at Brighstone CE Aided Primary School to **£2.55**. This will commence on **Monday 20th February 2023**.

All menus will continue to provide children with a choice of nutritious and delicious meals, while complying with the Government's nutritional guidelines, and catering for those with allergies.

We want to assure you that the decision to take this action was not taken lightly. We will always continue to do all that we can to provide you the best possible value for money.

Kind Regards,

The Chartwells Team
