

Personal, Social and Emotional Development

This half term we will focus on self-care. We will talk about why personal hygiene is so important and explore ways that we can keep healthy and safe.

Communication and Language

The development of the children's spoken language underpins all of our learning in Reception. We will be learning and using new vocabulary, learning to listen to each other and to have back and forth conversations. We will listen to stories, talk about experiences and sing songs.

Physical Development

Children will have opportunities to develop both their fine and gross motor skills this half term, through playing with small, fiddly building materials and loose parts or dough, and by climbing, digging, lifting, carrying, balancing and running.

Literacy

Our day is filled with stories, songs and rhymes. We promote a love of reading, and there are books available in all areas. We will continue to learn new sounds and apply them in our reading and writing. We will begin to write sentences, which can be read back, and children will be encouraged to write independently as much as possible.
