

### Learning and Achieving Through Love, Courage and Respect

Dear parents, carers and children,

Last weekend was a busy weekend for our local and island community. Saturday saw the fun **Wolverton Folk and Blues Fair**, which took place on a beautiful sunny day. It was great to see so many people there, including some past pupils. Thank you to the organisers, including the BSA, and thank you to all who donated cakes to the BSA's cake stall (they all looked so delicious, I couldn't resist them so bought a whole Tupperware tub full!), and to those who were able to help out on the day. Your time is truly appreciated, as the proceeds go to two very good causes: Leukaemia Research/Cancer Support and our school.

Another charity event then took place on Sunday: the amazing **Walk the Wight**. Thousands of people took part in either the whole walk, half walk, flat walk or schools' walk. A few staff members joined in, as well as quite a few children. This has raised more than £340,000 so far (and they are still collecting donations!), and everything you have personally raised has contributed to this. It was a great day with fantastic camaraderie, which also helps develop children's sense of community spirit linked to our school values of love and respect. Thank you.

On the subject of community, we will be holding another of our community 'Spruce Up Our School' days to help keep our school grounds looking their best. Our next one will be held on Saturday 27th May between 10am-3pm. If you are able to help in any way, for any amount of time (children are welcome too!), please email Emily Rufian on e.rufian@brighstoneprimary.org.uk (see poster in this week's Buzz). Thank you in advance, and I look forward to seeing you there.

Last Tuesday saw two school trips take place. **Honey Bee class** had a great time at Compton Beach when exploring the sights and sounds in preparation for the Crossing the Bar project with the New Carnival Company (see this week's Buzz and Facebook for information and photos), and **Ivy Bee class** enjoyed a day at The Mary Rose Museum as part of their History topic. I always emphasise to the children the importance of representing our school in the best way possible

through our school values, and I always say that the cherry on the top is if we get feedback from the organisers or members of the public. Well, you can imagine that I was delighted to receive an email the other day from a member of the public who was also travelling on the same Fastcat crossing. She wrote "I just wanted to say how delightful and well behaved they were—an absolute credit to your school". A huge well done to Ivy Bee class for being fantastic ambassadors for our school and representing our school in such a positive way!

This week, **Y2 children** have been excitedly taking part in their quizzes. I have loved seeing their very positive attitudes towards these; they have skipped into class each day, and were very disappointed on Wednesday when we said that the next quizzes weren't until next week! Well done, Bumble Bee class, for showing such a great love of learning.

I wish you all a lovely weekend, and I look forward to seeing you on Monday.

Best wishes, Mrs Lennon and the Brighstone team

### <u> Collective Worship - Friendship</u>

This week's Collective Worship theme is Friendship—Learning to Listen

We watched a short puppet show with Barney and Bella, and learnt how important it is to listen carefully to your friends rather than being distracted by other things. This is especially important if they are feeling upset.

What do you think the boy in the picture is saying to his friend who looks upset?

### Prayer for God's friendship

Lord, please go before us, to lead:

Walk beside us, to befriend;

Be above us, to protect;

Stay behind us, to direct;

Be beneath us, to support;

And enfold us in your love.

Amen

"A friend is always loyal, and a brother is born to help in time of need." Proverbs 17.17

### **School Dinners**

Children in Year R, 1 and 2 are entitled to a 'universal' free school meal everyday. Children in Years 3-6 are charged at £2.55 per day.

Baguettes now available on Tuesdays and Thursdays instead of JPs (ham, cheese or tuna)

Week 3	Monday	Tuesday	Wednesday	Thursday	Friday
Option 1	Macaroni Cheese	Chicken Curry	Roast Pork	Beef bolognese	Fish Fingers
Option 2	Tomato Pasta	Tomato Pasta	Tomato Pasta	Tomato Pasta	Veggie dippers
Dessert	Ice cream	Shortbread	Brownie	Flapjack	Pineapple Cake

## **Online Safety**

# HOW TO KEEP YOUR KIDS SAFE ON THE INTERNET

Be aware of what your kids are looking at online. Even child friendly sites can be hacked.

Teach your children not to share any personal information or photos online at any time.

Make them aware of cyber bullying and let them know to always come to you if someone is not nice to them on social media.

Have all online activity take place in a common area of the home where others are present.

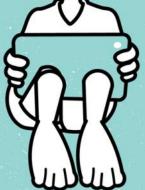

Apply parental controls where possible, but don't trust that they will catch all inappropriate content.

Follow your child on any social media platform so you can see what they are exposed to.

Check your child's browser history to see what sites they visit.

Get to know the social media platforms and what they are mainly used for.

Know what sites your kids are on and sit with them when they are online to get a feel for the content.

Regulate the amount of time kids are online outside of school requirements.

Remember it is still important to be aware of your child's online activity when they become a teenager.

Ensure they never reply to a message or email from a stranger or upload any photos of people/your home. PARENTAL CONTROLS

### **Honey Bee Class**

Honey Bees went on a fabulous walk along Compton bay on Tuesday which was led by Cathy from the New Carnival Company and Trevor from Dinosaur Isle. As we are taking part in the 'Crossing the Bar' project, which celebrates the heritage coastline of the Isle of Wight, we were looking out for objects and colours that could inspire our art project. We saw so many beautiful colours from the chalky white cliffs to the rust coloured rocks. We even saw a huge dinosaur foot print! We believe that the dinosaur that the cast was made from would have been about 13 metres tall, so we counted the steps so that we could visualise just how tall it would have been!

### **Ivy Bee Class**

On Tuesday, Ivy Bee Class got up very early and travelled to Portsmouth to visit the Mary Rose museum as part of our History topic.

We took part in a workshop looking at Tudor artefacts: discussing what they were made out of and the properties of those materials.

Going around the museum was fascinating. The remains of the Mary Rose were quite awe inspiring and with 19,000 artefacts on display that were salvaged from the wreck, there was plenty to look at and learn about.

### Have you seen Tax-Free Childcare (TFC) - What is it?

Government support for working parents, including the self-employed, in the UK working at least 16 hours at the National Minimum Wage.

For children aged 0-11 or until 16 if disabled. (Preschool/ Breakfast/Afterschool/Holiday Club)

- Parents and carers can earn up to £100k each per year and still be eligible for TFC.

- For every £8 a parent pays into an online account, the government will add an extra £2.

Up to £2,000 per child per year or £4,000 each year if the child has a disability.

- This is for parents who **aren't** receiving Tax Credits, Universal Credit, or childcare vouchers.

### Setting up an account and payments

- Parents apply for an account through: childcarechoices.gov.uk.
- HMRC confirm via email, and you can set up their TFC account.

- Accounts can be opened at any time of the year and can be used straight away.

- Parents search for provider in the 'Your Tax-Free Childcare account' section of the account homepage by name, address, postcode. (Niton Preschool, School Lane, Niton PO38 2BP)

- Parents pay money into the TFC account. The top up will be added automatically.

- The government top-up is applied to deposits made for each child, not household. Parents can get up to £500 every 3 months (up to £2,000 a year) for each child to help with the costs of childcare.
- Parents pay the childcare provider directly through the childcare account using bank transfer.
- For every £8 a parent pays into this account, the government will pay in £2 to use to pay the provider.

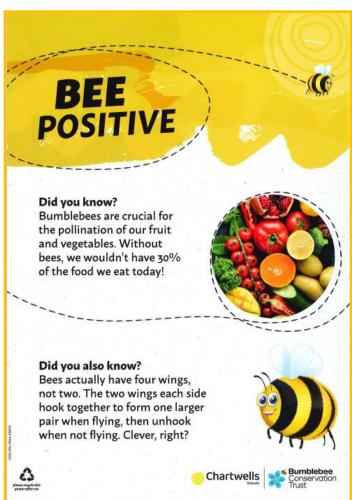

- Parents can use Tax Free Child to pay for additional childcare costs:

Our preschool consumable charges: You pay £16.00 Government pays £4.00.

### Walk the Wight 2023 with Mountbatten

Dear Supporter,

I am writing to you from my office at our hospice building in Newport with extremely sore legs but a glad heart.

Walk the Wight 2023 proved to be an extraordinary day and I wanted to take a moment to thank you for your support which helped make it happen.

Walk the Wight

Mountbatten

As I walked from Bembridge to Alum Bay for the 8th time, I was again in awe of how our Island community comes together to support our patients and families and to remember their loved ones who have filed.

Your part in this huge team effort is greatly appreciated, and everyone at Mountbatten truly values your contribution.

Together, we have already raised an incredible £340,000, and that figure will continue to grow in the coming weeks as the fundraising efforts of our walkers roll in.

This money will help provide 24/7 expert care and support for free to around 2,000 people a day across the Island in their homes, at St Mary's Hospital, and in our 16-bed inpatient unit – including at night and at weekends.

It will also give free bereavement and psychological support to anyone who needs it and help those with life-limiting conditions to live well during the last years of their life by providing rehabilitation & enablement services, art & music therapy, and a social programme.

Thank you for helping to make all this possible by supporting Walk the Wight 2023.

When talking to our community about the difference that Mountbatten's care makes, I am often struck when our patients and their families say, "Now we don't have to worry". That stays with me

With your loyal and generous support, we can continue to change how people experience death, dying, and bereavement for the better.

Walk the Wight 2024 returns on Sunday, 12 May, and I hope you will join us again for another remarkable day.

Warmest wishes

Multin

West Wight

At the community level, the service will strengthen partnerships between local organisations involved in community wellbeing, including parish and town councils, local community organisations and Islandwide organisations (statutory and voluntary) that operate at local levels.

The aim is to establish semi-autonomous community 'hubs', similar to those already existing in areas like Ryde, West Wight, Ventnor and Pan, throughout the Island. The nature of the hubs will vary, depending on the needs and resources of each area.

### **BUILDING STRONG COMMUNITIES**

We promote and encourage connections, developments and contributions by individuals and the community. By spending time identifying the strengths, passions and capabilities of individuals, services and places we support communities to help themselves and create local solutions.

### INDIVIDUALS - EVERYONE HAS STRENGTHS, PASSIONS & CAPABILITIES

skills, knowledge and passions. Living Well & Early Help identifies, encourages and nurtures individuals to utilise them. Deficit approach define communities and individuals in negative terms. An Asset approach accentuates positive capability to identify problems and activate solutions.

SERVICES - PEOPLE ORGANISED AROUND ASSETS. Services are generally professionals or paid services who are structurally organised. They include government agencies and private business, as well as schools, etc. They can all be valuable resources. The assets of these institutions help the community capture valuable resources and establish a sense of civic

### PLACE - PEOPLE LIVE WHERE THEY LIVE FOR A REASON.

Land, buildings, heritage, public and green spaces are all examples of assets of the community. Individuals tend to be in a specific place for a specific reason. The people living in a community are most likely to know what its strengths are and how to utilise them

### CONNECTION - PEOPLE SUPPORTING PEOPLE.

Small informal groups of people, such as clubs, groups and common interest activities are critical to the delivery of the Living Well and Early Help Service. They don't need complicated processes. They are just coming together around a common interest of their

### VISIBILITY - BEING PART OF THE COMMUNITY.

The Living Well & Early Help workers are based within the community working in agile way within defined localities finding spaces within community hubs, libraries, cafes etc. People should be able to approach workers individually as well as being referred in by any person or service. The Living Well & Early Help service supports people to develop their own solutions and ways of achieving their best possible lives, drawing on family and community resources, before considering commissioned or statutory services. Living Well and Early Help workers invest time in building relationships and understanding what a person's idea of their best life is. It also helps people to develop and build their own capacity and connections, so that they

### DEVELOPMENT - INDIVIDUALS CONNECT INTO A COMMUNITY.

DEVELOPMENT - INDIVIDUALS CONNECT INTO A COMMUNITY.

Living Well and Early Help recognises that the exchange between people sharing their passion, gifts, skills and assets creates connections, and these connections are a vital asset to the community. It takes time to find out about individuals; this is normally done through building relationships, person by person. The social relationships, networks and trust form the social capital of a community. The Living Well and Early Help service knows the value of these assets and the importance of building relationships to increase the social capital within each unique community.
