Learning and Achieving Through
Love, Courage and Respect

Dear parents, carers and children,

[See more photos on Facebook!](#)

Thank you to all who came along to watch the **Pearl of Africa Children's Choir** in St Mary's Church last Friday evening. What a performance it was! It was fantastic to see our children perform alongside them, as well. Their dancing and drumming skills were amazing. I know that some of you also saw the choir at other venues, as well. Many of our children bought African drums and shakers from them, which Bumble Bee class then used in our Music lesson on Monday, during which we were performing African call and response sound patterns.

"This week in **Bumble Bee Class** we have been making mock-up slider games. We had to make sure the slider was smaller than the slot. We also had to check we didn't accidentally put masking tape over the sliding mechanism. Next week we will be making our final sliders for Flower Bee Class to play with." *Miss Sztypuljak*

"**Honey Bee class** have had a busy and fun week!

In History, we found out about trading during the time of early civilisations. We used chestnuts, tokens and other commodities to trade with each other and aimed to each end up with a basket, a jar of oil, a pot of grain and a cow! We thought about how and why early writing and numbering systems might have developed to make this process easier for people.

In English, we reached the end of the Place Value of Punctuation and Grammar scheme of work. Working in pairs, we built sentences using coordinating conjunctions to join two independent clauses.

In Science, we continued our Electricity topic by building simple (and some not so simple!) circuits to light a bulb. We observed what happened when we added more bulbs to the circuit.

And finally, we began our Design Technology unit by considering the design of textiles and by trying our hands at running stitch, cross stitch and appliqué." *Mrs Northard*

We have noticed an increase in children arriving **late to school**. This can have a significant negative impact for a variety of reasons. You can find more information about this on page 3 of the Buzz. If your child is late several times, we will contact you so we can work together to improve punctuality.

I hope you all have a lovely weekend.

With very best wishes,

Mrs Lennon and the Brighstone team

Collective Worship

This half term, the theme is Advent and Christmas. This week, our focus is:

Mary visits Elizabeth

Value: Joy

We heard the story of when Mary, after being told by Gabriel that she would be having God's son, hurried to visit her cousin Elizabeth. When Elizabeth heard Mary's greeting, the baby leaped in her womb, and Elizabeth was filled with the Holy Spirit. Her baby was filled with joy.

As Mary and Elizabeth shared their experience of carrying their special babies, they too were filled with joy.

Lord Jesus
You came to turn
sadness into joy,
fear into faith,
despair into hope
and death into life.
As we seek to walk in your ways,
Give us your courage.
Amen

Inclusion

Welcome to our inclusion section! Each week, we will be sharing a Makaton sign and Widgit symbol, to help with our inclusive ethos.

Poetry Corner

Bumble Bee class have been enjoying The Owl and the Pussycat by Edward Lear in their English lessons. We hope you enjoy it, too!

The Owl and the Pussycat

The Owl and the Pussycat went to sea
In a beautiful pea green boat,
They took some honey, and plenty of money,
Wrapped up in a five pound note.

The Owl looked up to the stars above
And sang to a small guitar,
"O lovely Pussy! O Pussy my love,
What a beautiful Pussy you are,
You are,
You are!
What a beautiful Pussy you are!"

Pussy said to the Owl, "You elegant fowl!
How charmingly sweet you sing!
O let us be married! Too long we have tarried:
But what shall we do for a ring?"

They sailed away, for a year and a day,
To the land where the Bong-tree grows,
And there in a wood a Piggy-wig stood
With a ring at the end of his nose,
His nose,
His nose,
With a ring at the end of his nose.

"Dear pig, are you willing to sell for one shilling
Your ring?" Said the Piggy, "I will."
So they took it away, and were married next day,
By the Turkey who lives on the hill.

They dined on mince, and slices of quince,
Which they ate with a runcible spoon,
And hand in hand, on the edge of the sand,
They danced by the light of the moon,
The moon,
The moon,
They danced by the light of the moon.

Reading Recommendations

Each week, we include a book recommendation from a child and/or adult.

This week, William recommends The Storey Treehouse books by Andy Griffiths and Terry Denton

I recommend these books because they are really fun and sometimes there are some really funny parts that can make you laugh.

My favourite one is The 169-Storey Treehouse: Monkeys, Mirrors, Mayhem! This is my favourite because it is really cool and there are lots of floors.

I know my 13 times table because the books go up in 13s.

There are 13 books and they are all very funny.

Attendance Matters!

Lateness

We have had the number of **children being late** creep up again this week. I understand that sometimes lateness is unavoidable, but being late has an impact:

- ◇ Being late for school isn't good because children might miss something important their teacher says.
- ◇ It can also interrupt their classmates who are already learning.
- ◇ Some children don't like the feeling when they have to walk into their class after everyone else has started and are already settled.
- ◇ Children who are frequently late may feel stressed or anxious, struggle to catch up, and develop a habit of poor attendance, which is linked to lower grades and poorer long-term outcomes.

Punctuality helps a child succeed by:

- * Improving academic performance.
- * Building discipline.
- * Developing essential life skills like time management and responsibility.
- * Avoiding missing key information and participating more fully in class.
- * Arriving feeling calm and ready to learn.
- * Building a strong work ethic that is crucial for future success in education and careers.

Please help us to improve punctuality to help your child succeed.

At Brighstone Primary School we have high expectations for our children. This begins with attendance and punctuality as they are important life skills to learn.

Good school attendance habits are best started early. Children learn from those around them and you as parents/carers set the standards and expectations for your child. Lateness has a negative impact; being late may disrupt already settled children and lessons, affect achievement and embarrass, worry or upset your child. We understand that there may be an occasional unavoidable instance where you are late, but if it happens frequently, please let us know if there may be something that we can do to help.

What to do if your child is unwell:

Check the NHS Guidance: <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

You should notify the school office before 9am every morning your child is unable to attend due to illness. You can either telephone on 740285 or email on office@brighstoneprimary.org.uk. Telephone calls must be followed up in writing to authorise the (illness) absence.
