

English			Maths		
 <p>This half term will begin with us producing several pieces in response to our class book “Holes” by Louis Sachar. Then we will be reading “You are Special” which will form the basis for not only our last writing journey but our whole school end of year performance too. Expect Ivy Bee class to take some starring roles!</p>				<p>Both year groups will get to carry out a Maths project where they can apply their knowledge in realistic settings as well as looking at <b>statistics</b> and <b>geometry</b>. In addition, for Year 6, we shall make sure they are secondary school ready and cover the basic aspects of <b>ratio</b> and <b>algebra</b>.</p> 	
Science		Year 5 & 6 Ivy Bee Class Topic Web Summer Term 2 2026 All about Us!		History	
<p>This term, our topic will be ‘Animals including Humans’ where we will be learning about the human <b>circulatory system</b> and its role within the body, along with finding out about external factors that can have an impact upon our bodies.</p> <p><b>Key Vocabulary: heart, veins, arteries, circulation, lungs, oxygenated, deoxygenated, blood</b></p>				<p>We will focus on the local history of Brighstone and how the <b>settlement</b> has changed through time. Children will look at <b>maps</b> and <b>censuses</b> to devise a historical walking route around the village which looks at different aspects of its history – with a particular focus on employment. We will also be visiting the Weald and Downland Living Museum near Chichester to reinforce aspects of this and our work on Saxons earlier this year.</p>	
		DT		RE	
<p>We will be brushing up on our sewing skills by making and decorating a bag. However, before that we will have to plan it, then make the templates and use these to cut out the material.</p>		<p>‘Stewardship’ Is the theme for this half term. We will be examining what the Bible says God expects us to do in regards to looking after the planet and evaluate whether we think God’s will is being met.</p>			
Music		PSHE / RSE		PE	
<p>‘Composers’ is the theme for this half term. We will learn about how a range of modern and historical people were inspired to create some well-known and/or innovative pieces of music. We will then move onto practising the songs of our whole school performance.</p>		<p><u>Economic Wellbeing</u> We will continue our learning journey about Economic Wellbeing, focusing on gambling and careers.</p> <p><u>Relationships and Sex Education</u> We will then have a series of lessons focusing on relationships and sex education. Further information about this can be found on the letters that were emailed to all parents/carers.</p>		<p>Mrs Sharp will be taking the class for rounders lessons on a Monday, while on Wednesdays, Mr Goldsmith’s focus will continue to be athletics in readiness for sports day. As well as this, both year groups will have the opportunity to attend a ‘chance to shine’ cricket skills afternoon and go sailing at UKSA – Y6 for the afternoon as part of their ‘Test the Water’ scheme and Y5 for two whole days as part of an initiative by Seaview Sailing Trust that they are steadily rolling out island-wide. Please do remember sunhats and water bottles now that the weather will be warming up. Children with earrings will need to either take their earrings out for these lessons, or cover them with surgical tape from home.</p>	
					
Computing				<p>We are going to find out about something sweeping through everyday society now – AI. We will find out how it is used in writing and images and debate the ethics of it too.</p>
